

Honley Day Care

Fee Structure

We receive 30 hours of funding for 38 weeks of the year which we stretch out to give parents 22 funded hours over 52 weeks. We generally offer the funded hours as a core package over three days between the hours of 09:00-17:00. We ask for a consumable charge of £9 for each of the three funded days, which together with the additional 2 hours attended on this core package, is a total of £54/week (£234/month). You can then add on the 07:30-09:00 session, or the 17:00-18:30 session at £6/session/day to suit your requirements.

Early Session	Core Package	Late Session
07:30 - 09:00 £6.00 / Day	3 x 09:00 - 17:00 £54.00 / Week *	17:00 - 18:30 £6.00 / Day

*22 funded hours, 2 additional hours (£13.50/Hour) & 3 consumable charges (£9.00/Day)

If you only require two days of childcare, then we offer the funded hours as 2 x 08:00-18:00 sessions. This contract would typically include a Monday and/or a Friday. As we are only able to offer a maximum of 10 funded hours per day, the additional 2 hours of funding per week can be accumulated to use as additional sessions throughout the year, as and when required. Here we ask for a consumable charge of £10.50 for each of the two funded days, which is a total of £21/week (£91/month).

Consumable Charge

The Early Years Government Funding is provided for settings to offer a basic provision of the Early Years Foundation Stage (EYFS), which meets the statutory requirements. It is not intended to cover the cost of consumable items such as meals, snacks, nappies, wipes, etc; nor cover any additional activities or experiences that the nursery offers.

At Honley Day Care & Pre-Prep School, we strongly believe that early years education should be rich, engaging and full of real-world experiences. To go above and beyond the basic requirements, and provide the quality of care and education we are proud of, we offer an enhanced provision which costs more to deliver than government funding provides.

Therefore, in order to do this, for funded places we ask for a 'Consumable Charge'. However, this charge is optional, and is not a condition of your child attending the setting. If you are unable or unwilling to pay the 'Consumable Charge', then please contact the Nursery Manager to discuss alternative options.
